Ads by Abubaker94 on 2021/02/19 22:44 I love this game but with the way ads are it seriously is unplayable. If you can get pass that it is a good game but the ads can be super annoying and I kind of regret getting this app when they made it. Itâ€™s you get him for a couple minutes its gone, and it seems like they make more things per ad instead of making a easier lower level. I donâ€™t get it but you can have a good time while playing this game.",

"I love this game because anyone can play it, anytime, anywhere. But I just don't quite understand how they are trying to make money. You have these extra lives you win from watching videos or playing other games, but they are not enough unless you spend your actual lives on them through in-app purchases or by downloading another game that requires real money. I would give this game five stars except for the fact that I feel like there's a lot of potential wasted on how they are trying to make money. Hopefully the developers will change their ways. I would love to give this game five stars because the graphics are good, and it is entertaining.""

Raiding by jdjejbdndjdkd on 2021/03/28 18:34 Ok so I love the game but I was playing in the classroom and I got attacked by someone else while I was playing it. And I lost all of my troops along with half of my castle. I didn't make it through the game to see if my troops came back but it was just devastating. If you can make the game a little more fair like your secret messages and if there is a new army system that is way more fair. And if you do not want people to attack while you are playing. Then maybe put an option where we can play one by one in our own kingdoms or have a leader board or something like that? I really love the game but I think some stuff needs to be changed. Thanks if you can take into consideration.",

Good game, needs some fixes. by Munya on 2021/04/06 16:12 It's a very fun game. I have been playing for years, and there are things that you shouldn't have to pay extra money for in the game, such as extra turns if they aren't already included. There are places that you can't craft an item that you don't have the coins to. If they made more places to go to as well as more items to craft, it would be a better game overall. The chat feature is also annoying sometimes. As soon as I open the app, it tells me there are people on the other end of the chat, and since I don't have any friends, I close out of it immediately. It really bugs me how players have different abilities than other players for some reason. I forgot the name of the third thing I wanted to say, but that's all for now. Thank you for reading!",

Coin master game is another fun and entertaining online game that will allow you to play in your spare time. This online game is very similar to 2021, but with a unique twist to it. It's a coin-flipping game, where the next turn can be the start of another new chain! If you love crossing your fingers and hoping for good luck, then this is the perfect online game for you. In Coin master game, we are able to get three chances every round which will make this an exciting yet challenging experience for players of all levels!",

Addictive!!! by Cami914 on 2021/03/29 17:33 This is by far my favorite game. It's so fun and addictive! It would be even better if you could turn off the adds. I just love playing this game, it's never a dull moment and you always have something to do! If you like word puzzles, word searches or just want to have fun, I would highly recommend this app!! I hope the developers add a reward system for opening the app every day as well!",

Good game but glitches by lokeylove on 2021/03/12 15:52 I love this game it's very entertaining and fun! However, there are a couple things that I would like to see changed. One being the chat in the game. Whenever I'm in it, all I hear is people asking each other for gifts or sending each other back-and-forth gifting requests which is very annoying. I also have to say that the bugs are pretty severe. For example, I had a chat with another player, which I was supposed to be able to skip, however it turned out that you just have to wait for her. Sometimes when the game glitches during your turn, a few opponents can attack you at the same time and you will lose all your troops while still being on "your" move. Basically, it's very annoying.",

Coin Master is also available for Windows Phone 8 devices. The game can be downloaded directly from Windows Phone/Windows Store or from the official Google Play store. The classic Cardboard Mode was created by Andreas Färstl for both iOS and Android devices including but not limited to iPod Touch, iPad & iPhone. It was inspired by various arcade games that would allow players to play with their own heads as a reference. Cardboard Mode was released as a premium in-app purchase for "Coin Master" and was available for Android devices on Google Play on August 14, 2021. The iOS version of the app has been removed from the App Store.",

Fun but.. by The redhead cat on 2021/11/24 00:04 I love this game but the only thing is that ads keep popping up when you're just trying to play. I have a iPad so it's not a small screen and I know it's not my WiFi because all other games don't have that problem. It keeps happening when I'm in the middle of playing, which makes me lose and I just hate that part about it.",

On January 10, 2021 GamesBeat published an article that mentioned a new release titled "Coin Master: Poke Map" was being developed by United Pixelworkers for the iPhone. The game is available for iOS devices in beta form as of February 2021 and

is free to download from the App Store. This title is an alternate version of "Coin Master" where players can view the world around them (using real location coordinates) and find loot based on their current location within the game. It also includes a newspaper titled "Coins & Curses Adventure" which is about "Coins & Curses Adventures". An article on the website says that the game was created to satisfy the desire of players for a Pokeman Go style experience with "Coin Master: Dig Deep".",

Good for a few hours... by Tenderly18 on 2021/06/07 01:27 I have been playing this game for over 4 years now and I kind of got used to it. But now, it is starting to get annoying. The ads are way too long and I feel like they are just there to draw my attention and make money off of people that like this game. Also, sometimes you donâ€™t get the payout you think you do for your tickets or gems. There are some things they really need to work on because otherwise the app gets pretty boring after a while.",

Puzzle, puzzle, and more puzzles by MrMister22 on 2021/09/21 12:07 This app is one of the best I've played. I really enjoy playing this app. It's a game you can play anywhere so if your bored or at home on a rainy day this is a good app to get you entertained or even if you're commuting on a bus or train. You should download the game because it's fun and really addicting at times. I've played this game for about two years and I have to say it's really grown on me.",
