Good game by Kiyaa on 2021/11/14 17:12 This game is fun and addictive and perfect for passing time but there are some glitches with the game. First off, when an item goes out of stock, you can spend hours or days trying to get back into the item. Secondly, the cheating needs to be fixed. You can see when someone has low health and attack them. They have the option to block you, but they can still win. There is

nothing you can do about it. Third, the spells and potions aren't really useful. The spell usually only goes through to your opponent one time so that's pointless. The potions are also very expensive and don't really do much of anything for you. Lastly, I would like it if there were some way to get more coins because when there are special items that cost 2021 or more coins I have to spend an entire day saving up for them. It really gets old once you get more coins than everyone else.",

The game was released on September 13th, 2021 after more than three years in development. The mobile version has been downloaded over 1 million times since its initial release and the PC versions were downloaded over a million times. Kingdom clash, game is awesome but by awesome gamer on 2021/11/07 03:05 I am playing this game every day. It's a really fun game to play. There are some problems with it. For example the in-game chat, there are too many ads and that's not good because my friends and I play the game and one of our friends said that there were over 30 ads in one day. Never minding that other friend said she got payed 5 dollars for a survey. I mean, come on. The price of gems are so high. I want to buy a lot of stuff but the prices are expensive. Good luck making this game better!",

They're is too many ads by hannah_dew on 2021/02/01 00:08 I love this game but they are so many ad. It is very really annoying when I am just trying to pass my time and it makes me really mad. The game takes up all of the space in your phone as well. If it weren't for all of the ads this game would be a 5 star it's unfair that you make it a super hard game and then have like 50 ads after one level. I think that you should make the ads less frequent and add more features or make your levels easier if this is going to happen then please tell me so I can see your update. I am a huge fan of this game",

The best game ever by katiecat23 on 2021/09/28 23:17 Best game I have ever played! It's so fun and addicting. I love this game. I'd definitely recommend it to anyone who likes games like this. It's so fun and challenging. I can't even stop playing it! The only thing that I don't like is the fact that you can't keep all the upgrades you buy, and have to keep buying them again for each different level. It would be better if you could keep the upgrades forever. Otherwise, this game is truly AMAZING!",

coin master hack without verification 2021

Boring by tommissausage on 2021/10/31 12:19 With over six hundred levels of play, this game should get a lot more attention. Don't get me wrong, the graphics are good and the gameplay is engaging, but it's just so bland and uninspiring. It's like a run of the mill jigsaw puzzle with puzzles you've seen before. It also never lets up with adds and very little feedback when you successfully complete a game level. There should have been some form of ending criteria as well as feedback on your performance in game mode. Simply put: it's just boring.",

Phenomenal for five years and more by Kiki202120219 on 2021/09/22 02:35 I've had this game for 5 years and it hasn't let me down once. The only thing is I don't like how it got too big and how you have to do so many things to be able to open the cool stuff like getting more land, etc. It's really hard to get diamonds but when you do, it's okay. But you can definitely win them by watching videos and doing other things. I love this game so much.",

The game includes a variety of different "power ups". The user reviews for each power up show the overall audience's rating of the power up at that point. Some power ups include the ability to turn on an area light, remove clouds from the screen, double all coin production, and create special blockades in which coins aimed directly at one end of a light stand will be destroyed before they reach it. The more powerful power ups also include "turbo bombs" which can be fired from the player's cannon.",

Noooooo by Binkybunnykitty2021 on 2021/11/02 15:06 There is wayyyy too many ads in this game. It is so frustrating. I lose my lives because of all the ads. I spend money to get better equipment and try to get more lives but then the app glitches and logs me out. Then I am stuck with only a couple of lives left. Then when I go back on the app, it deletes half of my stuff that I worked hard to get, like levels that took me hours and days to complete. I would not recommend this game to anyone.",
